Greetings All:

I would like to formally recognize the unique contributions of the Latino community during this year's Hispanic Heritage Month. El Paso is a diverse city for entrepreneurs and trailblazers with an increasing Hispanic population. It is believed that by the end of 2020, Latinos in El Paso will have an 85% share of the population, leading a growing and thriving Latino business community.

September 14, 2020 is Support Latino Business Day which celebrates the significant economic contributions Latino-owned businesses make, the jobs they help create, and the positive impact they bring to our community and beyond.

Thank you for making El Paso proud!

Sincerely,

Dee Margo  
Mayor
